

# Bermuda Heritage Month Exhibition

# Traditional

# Ways of Living

This year our celebration of Bermuda's culture during Heritage Month is extra special as we celebrate our island's 400th anniversary.

The Department of Community and Cultural Affairs is hosting a Heritage Month Exhibition of "Traditional Ways of Living".

This event will take place at Number Six Shed from 11 May to 20 May 2009 and will feature aspects of the old ways of living such as old fashioned tools of the home, farming, fish-pot fishing, telling stories while the chores were done, crafts, kite making, old fashioned songs and games and many other traditional habits.

The exhibition lectures and demonstrations are updated daily. Stay tuned for more information!
